Horticultural Therapy Management

Overview:

For the *HT Management* class **students choose a section when enrolling**. There are two parts to the class, plus an online class forum. **Once enrolled students cannot change to a different section**. Students must participate in an on-line *Class Forum* **two weeks** before the first online meeting. Students post an assignment and review/comment on other postings of students in their class section. Sections are combined for Part 1 – all students in Section I and Section II will attend Part 1 as an online two-day class. For Part 2, the class is three days long, divided by section, and held either online or face-to-face.

Enroll in Section I or II by: July 19, 2027

Class Fee: \$1575 or \$1260 for full-time college student with proof of student status

Optional Credit from Colorado State University: \$231 for 3 semester credits

Instructors: Rebecca Haller, HTM & Colleen Griffin, HTR

Prerequisites: *Fundamentals of HT, HT Techniques and HT Programming*

Class components:

HTI Class Forum:

Students post a report on a specific organization and space to use for horticultural therapy program and site development, draft a mission statement and review/comment on other student's postings.
